BRIEF ABSTRACT OF LETTER.

Enquires whether the Officer in charge of the Coorg detachment of the Survey of India should be exempted from payment of tolls while travelling on duty within the Mysore State.

NOTES AND ORDERS.

9/2 Notification no: J 1683 / Legis 10-07-1 dated 30th November 1907 does not contemplate exemption in the case of Servants of British Government.

In Rule Para 5 of the Chief Commissioners notification no 274 dated 4th November 1876 Coorg

NOTES—First sheet

the cases in which exemption should be allowed have been specified. According to this rule British officers (other than Police & Military on duty) and their private property can not be exempted from payment of toll.

Since the notification was published during the days of the Chief Commissioner if the words "Government" ~~would~~ probably means includes British Government. If this Construction is correct property bona fide belonging to British Government should be exempted from payment of toll. The officers of British Govt & their private property can not be exempted though the property of British Government seems to be entitled to exemption as stated above. Submitted for orders.

1. How does this word should now read

KP 2.7.09

It does not seem that the officers or his private property is exempt from payment of toll - British Govt property is perhaps exempt -

Secy) 4-7-09 MLD

In the rule, Govt ought to be interpreted to mean the Govt of anyone unless the British Govt is specially mentioned.

No In the case under reference
